Support From Government Organizations

We are proud to announce partnerships with **United States Climate Alliance** and **Coalition of Northeastern Governors** (CONEG).

The **United States Climate Alliance** is a bipartisan coalition of governors committed to reducing greenhouse gas emissions consistent with the goals of the Paris Agreement.

Coalition of Northeastern Governors (CONEG) is a non-partisan association of the northeast states. CONEG encourages intergovernmental cooperation on issues affecting the economic, social and environmental well-being of the Northeast.

Announcing Our Latest Sponsors

Eversource

Eversource transmits and delivers electricity and natural gas and supplies water to approximately 4 million customers in Connecticut, Massachusetts and New Hampshire. Recognized as the top U.S. utility for its energy efficiency programs by the sustainability advocacy organization Ceres, Eversource harnesses the commitment of about 8,000 employees across three states to build a single, united company around the mission of safely delivering reliable energy and water with superior customer service.

“ We are leading the nation in energy efficiency, connecting our customers to solutions for savings and a sustainable future. In addition to our award-winning energy efficiency programs, we are investing in the development of clean energy projects, solar PV technology and Electric Vehicle Chargers. We look forward to joining with other industry leaders at Horizon18 in working together for a better tomorrow. ”

Penni McLean-Conner, Senior Vice President & Chief Customer Officer, Eversource Energy

Veolia

Veolia group is the global leader in optimized resource management. With nearly 169,000 employees worldwide, the Group designs and provides water, waste and energy management solutions that contribute to the sustainable development of communities and industries. Through its three complementary business activities, Veolia helps to develop access to resources, to preserve available resources and to replenish them.

“ At Veolia, we are constantly striving to solve complex challenges in water, waste and energy in order to shape a more sustainable world. We work toward this vision through our corporate commitment to sustainability and Horizon18 will be a great opportunity to connect with other leaders to advance clean energy and innovation. ”

John Gibson, President & COO, Municipal and Commercial Business, Veolia North America

See you in Boston / October 10 - 11, 2018 / Boston Convention & Exhibition Center

About

From October 10th to 11th 2018, Horizon18 - the global clean economy solutions summit – will be taking place at the Boston Convention & Exhibition Center in Boston, Massachusetts.

The U.S. Climate Alliance is excited to be a Partner for Horizon18, which is a timely new event for private and public sector climate leaders, as well as clean economy solutions providers, innovators and investors. Horizon18 brings these groups together to partner on translating climate targets into concrete projects and partnerships. Horizon18 has been developed by the Massachusetts Clean Energy Center (MassCEC), the Northeast Clean Energy Council (NECEC), and World Climate Ltd, and was launched on March 6 with this [announcement](#) supported by Mass. Governor Charlie Baker and Boston Mayor Marty Walsh.

Horizon18 is helping to connect and facilitate partnerships to accelerate clean economy solutions projects in areas such as clean energy, cities / communities, campus solutions, industrial applications, transportation, waste, and water. A number of important [stakeholders](#) have signed up, including corporations such as Engie, National Grid, Enel X, Eversource, Veolia, institutions such as United States Climate Alliance, Ceres, CDP, Second Nature, MIT Climate Co-Lab, and many others.

Horizon18 consists of five main elements relevant to corporations and institutions seeking innovative solutions to implement their sustainability goals: an international **Summit** with a customer-focused [agenda](#) and high-level [speakers](#) across sectors; **Showcasing** of solutions in a large networking area; unique tailored **Matchmaking** services that connects markets, technology, and finance for investment flows and deal-making; a **Pitch arena** for 15 min presentations on customer needs and solutions; **Side-events** through interactive workshops, networking receptions, and much more.

Free registration

2 free tickets to each state:

Code: **HORIZON18USCA**

50% discounted tickets, unlimited

Code: **HORIZON18USCA50**

Registrations are done here: <https://horizon18.org/participate/>

We will also be setting up a call early next week with Peter, the lead organizer, to walk through the conference in more detail and help answer any questions you may have. Stay tuned.

Thanks,
Kristin
